

Program as: 15 September 2021

Tuesday 14 September 2021

09.15 AM - 10.30 AM / Salle A - Espace Europe

Castration under anaesthesia, immunocastration, production of uncastrated males

Alternatives to unsedated castration and economic implications: impacts and solutions on the farm

With: Valérie COURBOULAY (ingénieure Bien-être animal au Pôle Techniques d'élevage de l'IFIP), Alexia AUBRY (IFIP) et témoignages d'éleveurs

Organized by: **IFIP - INSTITUT DU PORC**

More information: ifip@ifip.asso.fr

Registration required (free of charge): <https://www.ifip.asso.fr/fr/matinales-IFIP>

09.30 AM - 10.00 AM / Salle B - Espace Europe

Automated heat detection: Study of reproductive performance on 61 dairy farms in Normandy after using the equipment

With: Fabrice BIDAN (Institut de l'Elevage), Jean-Jacques BEAUCHAMP (Chambres d'agriculture de Normandie)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

09.30 AM - 11.00 AM / Salle F - Espace Administration

AGRI MARKET FOCUS IRELAND

Irish farming provides enormous opportunities due to its dynamism and the nature of the challenges it faces.

With: Sébastien GUILLEMET – Business Development Consultant - En Route Consulting

Organized by: **Bretagne Commerce International**

More information: k.berlan-lherbette@bretagnecommerceinternational.com

Registration required: <https://www.bretagnecommerceinternational.com/actu/agri-market-focus-irlande-space-2021/>

Program as: 15 September 2021

10.00 AM - 11:30 PM / Salle H - Espace Administration

Incorporate positive elements into poultry environmental assessment

With: Annick DELORY (Eleveuse), Elodie PECHENARD (ITAVI), Vincent BLAZY (ITAVI), Yann GUYOT (ITAVI), Louis DUPUY (APESA) Jean-Marie FONTANET (ITAVI)

Organized by: **ITAVI**

More information: communication@itavi.asso.fr

Registration required

10.30 AM - 11.00 AM / Salle B - Espace Europe

Control the body condition score to optimise reproduction in dairy cows:

2000 BCS profiles examined and farmer/consultant opinions on monitoring practices

With: Fabrice BIDAN (Institut de l'Elevage) et Timothée PETIT (ESA)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

11.00 AM - 12.15 PM / Hall 4 - Stand B38

Round table - Poultry production: What equipment to meet societal expectations and for what remuneration for breeders?

Organized by: **ESPACE POUR DEMAIN**

More information: sylvie.conan@bretagne.chambagri.fr

11.30 AM - 12.00 PM / Salle B - Espace Europe

AROMAM: Results of a trial on the efficacy of a mixture of essential oils for the treatment of clinical mastitis in dairy cows

With: Marlène GUIADEUR (Institut de l'Elevage), Nadine BALLOT (CNIEL), Loïc JOUET (SNGTV) et un témoignage d'éleveur

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

11.30 AM - 01.00 PM / Salle E - Espace Administration

Integrate Brown into your dairy breeding program: review of scientific studies, technical and economic results in the field and testimonials from breeders

With: Olivier BULOT (directeur de Brune Génétique Services), Solène GIRARDOT (Brune Génétique Services) et Clément SEVIN (éleveur)

Organized by: **Brune Génétique Services**

More information: olivier.bulot@union-bgs.com

12.30 PM - 01.00 PM / Salle B - Espace Europe

DISARM, a European collaborative network to promote the prudent use of antibiotics in pig, poultry and herbivore farming

With: Eric ROYER (Idele), Amandine MENET (Idele) et Lea TOURNEUR (ACTA)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

02.00 PM - 03.00 PM / Salle i - Espace Administration

Energy-efficient milk cooler: from the Tank 2020 project to the commercial product

With: Chantal KASSARGY (Cheffe de projet Tank 2020 - SERAP INDUSTRIES), Joanna HERRERA (Chargée de mission energie en élevage - GIE Elevages de Bretagne) et Patrick PERSON (Responsable Marketing Refroidisseurs de lait - SERAP Industries)

Organized by: **SERAP INDUSTRIES**

More information: c.kassargy@groupe-serap.com

02.00 PM - 03.00 PM / Salle E - Espace Administration

Concrete solutions to limit heat stress in dairy cows

With: Jean CHAREF (Chargé de mission CNIEL) et Bertrand FAGOO (Chef de projet IDELE)

Organized by: **CNIEL**

More information: lducaud@cniel.com

Program as: 15 September 2021

02.00 PM - 04.00 PM / Salle A - Espace Europe

Animal feed: welfare begins in the trough

With: Des représentants des parties prenantes et professionnels des coopératives et filières d'élevage

Organized by: **La Coopération Agricole**

More information: poleanimal@lacoopagri.coop

Registration required

02.00 PM - 04.00 PM / Salle C - Espace Europe

The INRAE Forums

With: Zohra BOUAMRA-MECHEMACHE, Vincent CHATELLIER, Pierre DUPRAZ, Hervé GUYOMARD et Jean-Louis PEYRAUD (INRAE)

Organized by: **INRAE**

More information: communication-bretagne-normandie@inrae.fr

03.15 PM - 04.15 PM / Salle i - Espace Administration

Energy-efficient milk cooler: from the Tank 2020 project to the commercial product

With: Chantal KASSARGY (Cheffe de projet Tank 2020 - SERAP INDUSTRIES), Joanna HERRERA (Chargée de mission energie en élevage - GIE Elevages de Bretagne) et Patrick PERSON (Responsable Marketing Refroidisseurs de lait - SERAP Industries)

Organized by: **SERAP INDUSTRIES**

More information: c.kassargy@groupe-serap.com

04.30 PM - 05.30 PM / Salle i - Espace Administration

Energy-efficient milk cooler: from the Tank 2020 project to the commercial product

With: Chantal KASSARGY (Cheffe de projet Tank 2020 - SERAP INDUSTRIES), Joanna HERRERA (Chargée de mission energie en élevage - GIE Elevages de Bretagne) et Patrick PERSON (Responsable Marketing Refroidisseurs de lait - SERAP Industries)

Organized by: **SERAP INDUSTRIES**

More information: c.kassargy@groupe-serap.com

Program as: 15 September 2021

Wednesday 15 September 2021

09.15 AM - 10.30 AM / Salle A - Espace Europe

Castration under anaesthesia, immunocastration, production of uncastrated males

Boar taint, carcass handling and yield

With: Patrick CHEVILLON (IFIP) et Pascal LE DUOT (UNIPORC)

Organized by: **IFIP - INSTITUT DU PORC**

More information: ifip@ifip.asso.fr

Registration required (free of charge): <https://www.ifip.asso.fr/fr/matinales-IFIP>

09.15 AM - 10.45 AM / Salle E - Espace Administration

The importance of upstream planning of agricultural supply chains in the agri-food industrial process

With: Patrick PAGEARD (Président du Comité Interprofessionnel de la Dinde Française CIDEF) et Florence LE COZ (Responsable produit filières productions animales- KERHIS)

Organized by: **KERHIS**

More information: contact@kerhis.com

09.30 AM - 11.30 AM / Salle H - Espace Administration

Better use of antibiotics in poultry farming in France: where are we and what are the prospects?

With: Nathalie ROUSSET et Anne-Christine LEFORT (ITAVI)

Organized by: **ITAVI**

More information: communication@itavi.asso.fr

Registration required

Program as: 15 September 2021

09.30 AM - 10.00 PM / Salle B - Espace Europe

Shelt-air, a new tool to optimise natural ventilation in ruminant livestock buildings

With: Bertrand FAGOO (Institut de l'Elevage)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

09.30 AM - 10.30 AM / Salle C - Espace Europe

Using the internet for business purposes on livestock farms

Equipment, uses and expectations of farmers using the Internet for business purposes: trends from the annual Agrinautes study

With: Mikaël MENAGER (DATAGRI), Christophe SEMONT (HYLTEL) et Pierre BOITEAU (NGPA)

Organized by: **NGPA - DATAGRI - HYLTEL**

More information: communication@ngpa.fr

Registration required: https://www.studioagri.fr/2021/MDS/07_S30/Formulaire.asp

09.30 AM - 11.00 PM / Salle F - Espace Administration

AGRI MARKET FOCUS SPAIN

Panorama of agriculture and livestock in Spain

With: Florian VINSON – Chargé d'Etudes CCI France Espagne

Organized by: **Bretagne Commerce International**

More information: k.berlan-lherbette@bretagnecommerceinternational.com

Registration required: <https://www.bretagnecommerceinternational.com/actu/agri-market-focus-espagne-space-2021/>

10.00 AM - 11.00 AM / Salle i - Espace Administration

The American Farm: a family-run business

With: Elisa FERTIG (USDA - Attachée agricole Ambassade des Etats-Unis à Bruxelles)

Organized by: **Consulat des Etats-Unis pour le Grand Ouest**

More information: beatyeb@state.gov

Program as: 15 September 2021

10.00 AM - 12.00 PM / Salle 5 - Espace Administration

Participatory workshop: how to talk about the well-being of your animals when you are a breeder?

Organized by: **INRAE / LIT OUESTEREL**

More information: romain@assolitouesterel.org

Limited number of places. Reserved for breeders upon registration: <https://www.assolitouesterel.org/inscriptionspace>

10.30 AM - 12.30 PM / Salle 2 - Espace Région Bretagne

How to communicate positively when faced with negative press on livestock farming?

With: Eddy FOUGIER (politologue), Dominique GAUTIER (éleveuse de porcs), Guillaume DIVANACH (éleveur de vaches laitières et de porcs), François Arnoux (céréaliériste et producteur de semences) et à distance Caroline VAN DER PLAS (Députée néerlandaise à la Seconde Chambre des Etats généraux)

Organized by: **SYRPA - Agriculteurs de Bretagne - SPACE**

More information: mathieu.simon@agriculteurs-de-bretagne.bzh

Registration required: <https://agriculteurs-de-bretagne.helium-connect.fr/pl/fid/60f52c64b1ff6379f0489e9b>

10.30 AM - 11.00 AM / Salle B - Espace Europe

Innovations to make sheep farming easier, both in the pasture and in the barn

With: Sophie CHAUVAT (Institut de l'Elevage), Laurent FICHET (CA PdL), Audrey DESORMEAUX (FNO) et Vincent BELLET (Institut de l'Elevage)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

11.00 AM - 12.00 AM / Salle E - Espace Administration

Mobility and digital technology, solutions that link farmers and their producer organizations - illustration in the poultry sector

With: Emmanuel ETESSÉ (Consultant innovation agri-agro/santé Village by CA), Julien LE NEL (Responsable marché Productions Animales Kerhis), Florence LE COZ (Responsable produit Productions Animales Kerhis) et animée par Xavier GALLOU (Consultant avant-vente Productions Animales Kerhis)

Organized by: **KERHIS**

More information: contact@kerhis.com

Program as: 15 September 2021

11.00 AM - 01.00 PM / Salle C - Espace Europe
Selling your farm: how to set the right price and find buyers

With: Marion COISNE (Journaliste)

Organized by: **LA FRANCE AGRICOLE**

More information: communication@ngpa.fr

11.AM - 12.15 PM / Hall 4 - Stand B38
Round table - Milk production: How is the dairy sector committed to animal welfare?

Organized by: **ESPACE POUR DEMAIN**

More information: sylvie.conan@bretagne.chambagri.fr

11.15 AM - 12.15 PM / Salle i - Espace Administration
U.S. Soy, a solution for European demand

With: Lola HERRERA (U.S. Soybean Export Council - USSEC)

Organized by: **Consulat des Etats-Unis pour le Grand Ouest**

More information: beatyeb@state.gov

11.30 AM - 12.00 PM / Salle B - Espace Europe
New information on fattening regimes for suckler cows

With: Pauline MADRANGE (Institut de l'Elevage)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

12.00 PM - 02.00 PM / Grand chapiteau près de la porte C
Forum Produit en Bretagne Agriculteurs de Bretagne - ABEA - SPACE

Organized by:

More information:

Registration required

12.30 PM - 01.00 PM / Salle B - Espace Europe
Evaluating the behaviour and well-being of calves during fattening? BeBoP, a solution that combines new technology and the farmer's expertise

With: Béatrice MOUNAIX (Institut de l'Elevage)

Organized by: Institut de l'Elevage

More information: muriel.reullier@idele.fr

02.00 PM - 03.30 PM / Salle i - Espace Administration
Optimising heifer farming

With: Nicolas LAIR (Responsable Pôle Génisse)

Organized by: SEENERGI

More information: christophe.descuns@seenovia.fr

02.00 PM - 04.00 PM / Salle C - Espace Europe
The INRAE Forums

With: Laurianne CANARIO, Caroline CONSTANCIS, Christine LETERRIER et Elodie MERLOT (INRAE)

Organized by: INRAE

More information: communication-bretagne-normandie@inrae.fr

Program as: 15 September 2021

02.00 PM - 03.00 PM / Salle B - Espace Europe

Cap Protéines: Innovation for protein self-sufficiency

An ambitious research, development and innovation project to improve the protein self-sufficiency of French livestock farms

With: Damien HARDY (Institut de l'Elevage), Jérôme PAVIE (Institut de l'Elevage) et Terres Inovia

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

02.00 PM - 03.00 PM / Salle E - Espace Administration

Producing and selling effectively: solutions for local distribution systems

Sanitary safety, health, animal welfare, sustainability and product quality: key issues that any operator in the short supply chain must integrate into their multidisciplinary daily practices.

With: Vétérinaires CRISTAL

Organized by: **GROUPE CRISTAL**

More information: contact@groupecristal.fr

02.00 PM - 03.30 / Salle H - Espace Administration

Smart agriculture: Digital Technologies for agriculture

With: Guillaume BRIEND (Responsable Agretic), Dilepix / Synthèse élevage (Projet GWIZ), Aisprid (Robot de récolte tomates), RF Track / SGPI (Chronopature), Cormiers (Caméra pour guidage bineuse), Wel2be (Bien-être animal)

Organized by: **AGRETIC**

More information: g.briend@bdi.fr

2.00 PM - 3.00 PM / Salle F - Espace Administration

How can animal nutrition fit into the CO2 objective? 1 hour to understand everything

With: Tiphany SOULARD (Valorex), Guillaume CHESNEAU (Valorex), Axel MINETTO (Valorex), Vincent CHATELLIER (Valorex), Mathieu TOURNAT (Valorex) et Jean-Loup STERIN (Novial)

Organized by: **VALOREX**

More information: j.houssin@valorex.com

Registration required: <https://forms.gle/cHkbqBJbaiog8ifXA>

Program as: 15 September 2021

02:30 PM - 04:30 PM / Salle A - Espace Europe

Changes in chicken production methods in France to address consumer needs and societal concerns

With: François CADUDAL (ITAVI), WARIN (Bankiva), Mathilde STOMP (ITAVI), Marc BESSON (Val'iance), Dylan CHEVALIER (LDC) et Eric MANSUY (SANDERS)

Organized by: **ITAVI**

More information: communication@itavi.asso.fr

Registration required

02.30 PM - 04.00 PM / Salle 1 - Espace région Bretagne

The Green Pact and the future CAP

With: Pierre BASCOU (Commission européenne - DG Agriculture)

Organized by: **La Maison de l'Europe**

More information:

3:00 PM - 3:45 PM / Salle 5 - Espace Administration

Mycotoxins in maize: results of the observatory

Organized by: **EILYPS pour "L'observatoire Mycotoxines"**

More information: loic.quemere@eilyps.fr

03.30 PM - 04.30 PM / Salle B - Espace Europe

Veal: new developments

With: Didier BASTIEN (Institut de l'Elevage), Virginie LEFOUL (Institut de l'Elevage), Christophe MARTINEAU (Institut de l'Elevage) et Marianne ORLIANGES (Interbev Veaux)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

03.30 PM - 05:00 PM / Salle H - Espace Administration **Robotics and performance on livestock farms**

With: Tibot Technologies (Enjeux de la filière volaille et solutions apportées par la robotique : Le cas de la fertilité en élevage de repro) et Copeeks (Robot autonome pour la mesure en continu de l'ambiance et de l'activité des animaux dans différentes zones des salles d'élevage)

Organized by: **AGRETIC - Tibot Technologies et Copeeks**

More information: julie.champion@copeeks.fr

3.30 PM - 4.30 PM / Salle F - Espace Administration **Reducing methane, making it known and recovering it**

With: Solveig MENDOWSKI (Valorex), Vincent CHATELLIER (Valorex) Erwan LOZEWIS (Lactalis) et un éleveur

Organized by: **VALOREX**

More information: j.houssin@valorex.com

Registration required: <https://forms.gle/cHkbqBJbaiog8ifXA>

03.45 PM - 05.00 PM / Salle i - Espace Administration **Thermal stress: increase the resilience of dairy farms through monitoring**

Heat'Adapt, an innovative technical service to raise awareness, predict and measure heat stress, which includes a guarantee.

With: Thomas AUBRY (Directeur Opérationnel Medria), Julie DEWEZ (Cheffe de projet) et Xavier WAGNER (Directeur général ITK inc)

Organized by: **MEDRIA SOLUTIONS**

More information: thomas.aubry@medria-solutions.fr

4:30 PM - 5:45 PM / Salle E - Espace Administration **Biomethane and methanation news**

Current situation, regulations, project economics

With: Xavier PASSEMARD (Directeur Biométhane GRDF)

Organized by: **GRDF**

More information: pascal.garcon@grdf.fr

Program as: 15 September 2021

04.30 PM - 06.00 PM / Salle 1 - Espace région Bretagne

Breeders and their relationship to animals from a philosopher's point of view

With: Jacques RICOT

Organized by: **SPACE et OUEST-FRANCE**

More information:

05.00 PM - 06.00 PM / Salle F - Espace Administration

Reduce the methane footprint of milk

With: Eco-Sens, IDELE, Innoval, Bleu-Blanc-Cœur, SGPI (groupe Adventiel)

Organized by: **Eco-Sens**

More information: o.garcia@eco-sens.com

Registration required: <https://docs.google.com/forms/d/1k7kFXUWmlqaGXYU-TFFq4uua->

5.00 PM - 06.00 PM / Salle B - Espace Europe

What's new in calf health?

With: Béatrice MOUNAIX, Marlène GUIADEUR, Elise VANBERGUE, Agathe CHEYPE, Aurore WACHE, Eric ROYER de l'Institut de l'Elevage

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

Thursday 16 September 2021

09.15 AM - 10.30 AM / Salle A - Espace Europe

Castration under anaesthesia, immunocastration, production of uncastrated males

Composition of fat and lean cuts, technological quality and consequences on processing needs

With: Gilles NASSY (Directeur du Pôle Viandes et Charcuteries de l'IFIP), Bertrand NARDY (Expert technique viande) et Laurence ENAULT (Directrice R&D)

Organized by: **IFIP - INSTITUT DU PORC**

More information: ifip@ifip.asso.fr

Registration required (free of charge): <https://www.ifip.asso.fr/fr/matinales-IFIP>

09.30 AM - 10.00 AM / Salle B - Espace Europe

Are dairy ruminant systems efficient in their use of space?

With: Benoît ROUILLE (Idele)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

09.45 AM - 11.00 AM / Salle i - Espace Administration

How to financially protect dairy farms from thermal stress?

With: Xavier WAGNER (Directeur général ITK inc.), Amélie PINET (chef de projet marketing ITK), Laurent SABATIE (co-fondateur et directeur général Skyline Partners) et Julie DEWEZ (Medria Solutions)

Organized by: **MEDRIA SOLUTIONS**

More information: communication@itk.fr

Program as: 15 September 2021

10:00 AM - 11:30 AM / Salle H - Espace Administration

Performance, attractiveness, loyalty: complementary collective social protection, a major advantage?

With: Jérôme VOLLE (Vice-Président FNSEA et Vice-Président de GROUPE AGRICA), Philippe LARGEAU (représentant EDT), Franck TIVIERGE (négociateur CFDT), Pierre MILLET (négociateur CFE-CGC), Pierre JARDON (négociateur CFTC) et animée par Pascal Berthelot

Organized by: **AGRICA**

More information: communication@groupagricaparis.com

Registration required: communication@groupagricaparis.com

10.00 AM - 11.00 AM / Salle E - Espace Administration

Take part in the FTDL challenge for agricultural high schools

With: Patrick COUDERC (Chef de projet CNIEL) et Vinciane VANIER (animatrice CRIEL Normandie Lait)

Organized by: **CNIEL**

More information: lducaud@cniel.com

10.00 AM - 04.30 PM / Grand chapiteau

Territories Day for municipalities

Agriculture: opportunities and wealth for the territories

Organized by: **Chambres d'Agriculture de Bretagne**

More information: valerie.villain@bretagne.chambagri.fr

Registration required

10.15 AM - 12.15 PM / Salle B - Espace Europe

Controlling production costs: an important issue for dairy farms

With: Benoît RUBIN (Institut de l'élevage), Jean-Claude HUCHON (CA PdL), Philippe MATHIEU (BTPL), Yannick PECHUZAL et Christophe PERROT (Institut de l'Élevage) + intervenants CNIEL et FAM

Organized by: **Institut de l'Élevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

11.00 AM - 12.00 AM / Salle E - Espace Administration **Fighting climate change with the Low Carbon dairy farm**

With: Jennifer HUET (Chef de pôle CNIEL) et Catherine BROCAS (Chef de projet Idèle)

Organized by: **CNIEL**

More information: lducaud@cniel.com

11.00 AM - 12.15 PM / Hall 4 - Stand B38 **Round table - Pig production: Is animal welfare a market segmentation tool?**

Organized by: **ESPACE POUR DEMAIN**

More information: sylvie.conan@bretagne.chambagri.fr

11.15 AM - 12.30 PM / Salle i - Espace Administration **Optimising heifer farming**

With: Nicolas LAIR (Responsable Pôle Génisse)

Organized by: **SEENERGI**

More information: christophe.descuns@seenovia.fr

12.00 AM - 2.30 PM / Petit chapiteau **How do farmers innovate to adapt to or mitigate climate change?**

With: Eleveurs du Grand Ouest

Organized by: **FRGEDA Bretagne (Fédération Régionale des Groupes d'Etudes et de Développement Agricole de**

More information: frgeda.bretagne@gmail.com

Registration required

Program as: 15 September 2021

12.00 AM - 01.00 PM / Salle E - Espace Administration
Animal health: bovine paratuberculosis

Organized by: **CNIEL**

More information: lducaud@cniel.com

12.30 PM - 01.00 PM / Salle B - Espace Europe
How to implement a development programme for an organic supply chain in a given region?

With: Caroline EVRAT GEORGEL (Institut de l'Elevage) et Antoine DE VAUBERNIER, Les Près Rient Bio

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

02.00 PM - 04.30 PM / Salle A - Espace Europe
The introduction of organic meat in collective catering: What steps to achieve it?

With: Alexandra MARIE-MONCORGER (DRAAF), Wendy SI HASSEN (Agence Bio), Comptoir des Viandes Bio, Jean-Marie MAZENC (Commission Bio Interbev), Luc FOUCAULT (Eau du Bassin Rennais collectivité / Terre de Sources)

Organized by: **Initiative Bio Bretagne et Inter Bio Pays de la Loire**

More information: goulven.oillic@bio-bretagne-ibb.fr

02.00 PM - 03.00 PM / Salle E - Espace Administration
Organization of work on livestock farms

With: Noëlle PAOLO (CNIEL) et Benoît ROUYER (CNIEL)

Organized by: **CNIEL**

More information: lducaud@cniel.com

Program as: 15 September 2021

02:00 PM - 06:00 PM / Salle C - Espace Europe

The wood present on the farm, an advantage for the transition

The benefits of trees for agriculture and livestock farming and how farms can benefit from this resource through concrete solutions

With: Jacques BERNARD (AILE), Laurent SOMER (CRAB), Pierric CORDOUE (CNB) et un témoignage d'éleveur

Organized by: **AILE et CRAB**

More information: marc.le-treis@aile.asso.fr

02.00 PM - 04.00 PM / Salle 2 - Espace Région Bretagne

The INRAE Forums

With: Lynda AISSANI (INRAE), Alexandre BERTHE (Université de Rennes), Armelle DAMANIO (Association Aile) et Sabine HOUOT (INRAE)

Organized by: **INRAE**

More information: communication-bretagne-normandie@inrae.fr

02.00 PM - 02.45 PM / Salle B - Espace Europe

Try out new consulting methods to help farmers manage the health of ruminants, pigs and poultry

With: Claire MANOLI (ESA d'Angers), Anne Christine DUFAY-LEFORT (ITAVI), Alexandre POISSONNET (IFIP) et Aurore DUVAUCHELLE WACHE (Institut de l'Elevage)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

2:00 PM - 2:45 PM / Salle F - Espace Administration

Financing of agricultural anaerobic digestion units

Crowdfunding: Integrating this lever into your biogas project. Lessons learned.

With: Pascal GARCON (GRDF), Laure VERHAEGHE (LENDOSPHERE) et un témoin Porteur de Projet Biométhane (CS BIOGAZ)

Organized by: **GRDF**

More information: pascal.garcon@grdf.fr

Program as: 15 September 2021

02.00 PM - 03.00 PM / Salle H - Espace Administration

Getting started in the equine sector

Organized by: **Conseil des Equidés de Bretagne**

More information: conseil-des-equides-de-bretagne@wanadoo.fr

Registration required

02.15 PM - 03.15 PM / Salle i - Espace Administration

Making food transition a success through digital technology

With: Daniel TROCME (Directeur de la Stratégie et du Développement chez Adventiel)

Organized by: **ADVENTIEL**

More information: commerce@adventiel.fr

02.15 PM - 03:30 PM / Salle 5 - Espace Administration

Encouraging sustainable vocations in breeding - Focus on the pig and milk sectors

How to attract new breeders, new employees? How to make those who discover breeding farms want to make a career there?

With: Alizée CHOUTEAU, Margaux GELIN (Idele) et Caroline DEPOUDENT (CRAB)

Organized by: **Chambres d'Agriculture de Bretagne / Idèle**

More information: caroline.depoudent@bretagne.chambagri.fr

03.00 PM - 03.30 PM / Salle B - Espace Europe

Protein self-sufficiency and carbon footprint of milk

With: Catherine BROCCAS (Institut de l'Élevage)

Organized by: **Institut de l'Élevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

03.00 PM - 04.00 PM / Salle H - Espace Administration

Getting started in the equine sector

Organized by: **Conseil des Equidés de Bretagne**

More information: conseil-des-equides-de-bretagne@wanadoo.fr

Registration required

3:00 PM - 3:45 PM / Salle F - Espace Administration

Gas Mobility in Agriculture

With: Bruno COQUELIN (GRDF) et M.MOREL (MOREL Energies)

Organized by: **GRDF**

More information: pascal.garcon@grdf.fr

03.00 PM - 04.00 PM / Salle E - Espace Administration

Investment strategy for a dairy building project: a method for a successful project

With: Jean CHAREF (Chargé de mission CNIEL) et Sebastien GUIOCHEAU - Chambre Régionale d'Agriculture de Bretagne

Organized by: **CNIEL**

More information: lducaud@cniel.com

03.30 PM - 04:30 PM / Salle i - Espace Administration

Creating a personal customer relationship & boosting your order intake with virtual assistants

With: Xavier L'HOSTIS (Responsable Innovation chez Adventiel)

Organized by: **ADVENTIEL**

More information: commerce@adventiel.fr

Program as: 15 September 2021

03.45 PM - 04.15 PM / Salle B - Espace Europe

Quantifying carbon storage in soils, the achievements of the Carsolel project

With: H  l  ne CHAMBAUT (Institut de l'Eleavage), Anne-Isabelle GRAUX et Fran  oise VERTES (INRAE), Laure BRUN-LAFLEUR (Institut de l'Eleavage)

Organized by: **Institut de l'Eleavage**

More information: muriel.reullier@idele.fr

4:00 PM - 4:45 PM / Salle F - Espace Administration

Intermediate crops for energy use (CIVE)

With: Henry LE GOAS (GRDF) et Gildas FOUCHET (AAMF-AAMB - M  thavo Elevages)

Organized by: **GRDF**

More information: pascal.garcon@grdf.fr

04.30 PM - 05.00 PM / Salle B - Espace Europe

Life Beef Carbon: Levers for reducing the carbon footprint of beef cattle

With: Josselin ANDURAND (Institut de l'Eleavage)

Organized by: **Institut de l'Eleavage**

More information: muriel.reullier@idele.fr

04.45 PM - 05.45 PM / Salle i - Espace Administration

Artificial Intelligence, an opportunity for animal well-being & healthcare

With: Victoria POTDEVIN (Ing  nieur agronome chez Adventiel)

Organized by: **ADVENTIEL**

More information: commerce@adventiel.fr

Program as: 15 September 2021

5.15 PM - 5.45 PM / Salle B - Espace Europe

Launch of the European LIFE Green Sheep programme: deployment of a low-carbon, sustainable approach in sheep farming

With: Sindy MOREAU (Institut de l'Elevage) et Ophélie TEUMA (Interbev /Inn'Ovin)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

06.00 PM - 06.30 PM / Salle B - Espace Europe

New version of the CARBON AGRI method for carbon valuation

With: Marie Thérèse BONNEAU (France CARBON AGRI Association), Jean Baptiste DOLLE (Institut de l'Elevage), Catherine BROCAS (Institut de l'Elevage) et Claire LEGRAND (FNPL)

Organized by: **Institut de l'Elevage**

More information: muriel.reullier@idele.fr

Program as: 15 September 2021

Friday 17 September 2021

08.30 AM - 08.40 AM / En ligne / Online

Presentación de la raza normanda

*Organized by: **Organisme de Sélection en Race Normande***

More information: louise.icard@osnormande.fr

09:00 AM - 10:40 AM / En ligne / Online

Trends in aquaculture hatcheries

This webinar will focused on different topics of importance for hatcheries

With: Joana AMARAL (Product Manager Marine Fish Hatcheries at BioMar's Global Hatchery Unit), Steven DEBONO (Product Portfolio Manager Fish Nutrition at INVE Aquaculture (Benchmark Advanced Nutrition)), Tim REED (Founder & CEO at Reed Mariculture) and Marc TURANO (Nutrition and Technology Lead at Cargill Aqua
*Organized by: **Aquafeed.com and Hatchery Feed & Management***

More information:

Free of charge, registration required: <https://uk.space.fr/programme/aqua-seminar.aspx>

09.00 AM - 09.15 AM / En ligne / Online

Video of a poultry farm (broilers)

Stéphane DAHIREL, breeder in Lanouée (Morbihan)
- 5 poultry houses

*Organized by: **SPACE***

More information: info@space.fr

Program as: 15 September 2021

09.00 AM - 09.15 AM / En ligne / Online

Video of a sheep farm (Pre-salted lambs from Mont Saint Michel)

Yannick FRAIN, breeder in Roz-sur-Couesnon (Ille et Vilaine)

Organized by: **SPACE**

More information: info@space.fr

09.00 AM - 09.15 AM / En ligne / Online

Video of a fish farm (trouts)

Robert Le Coat, trout farmer in Plougoulm (Finistère)

Organized by: **SPACE**

More information: info@space.fr

09.00 AM - 09.15 AM / En ligne / Online

Video of a cattle farm (Normande)

Jean-Michel et Isabelle ARONDEL, breeders in "Gaec Laval Dreams", in Amanlis (Ille-et-Vilaine)

Organized by: **SPACE**

More information: info@space.fr

09.00 AM - 10.15 PM / En ligne / Online

Round table - Poultry production: What equipment to meet societal expectations and for what remuneration for breeders?

Organized by: **ESPACE POUR DEMAIN**

More information: sylvie.conan@bretagne.chambagri.fr

Program as: 15 September 2021

09.00 AM - 10.15 PM / En ligne / Online

Round table - Pig production: Is animal welfare a market segmentation tool?

Organized by: **ESPACE POUR DEMAIN**

More information: sylvie.conan@bretagne.chambagri.fr

09.00 AM - 10:15 AM / En ligne / Online

Round table - Milk production: How is the dairy sector committed to animal welfare?

Organized by: **ESPACE POUR DEMAIN**

More information: sylvie.conan@bretagne.chambagri.fr

09.00 AM - 09.05 AM / En ligne / Online

Breeding presentation: GAEC du Tertre de Villeray

Organized by: **Organisme de Sélection en Race Normande**

More information: louise.icard@osnormande.fr

09.15 AM - 10.30 AM / En ligne / Online

Castration under anaesthesia, immunocastration, production of uncastrated males

Ending castration: which pig products for which markets?

With: Jan Peter VAN FERNEIJ, Marie VAN DEN BOSSCHE (IFIP) et avec le témoignage d'acteur européen

Organized by: **IFIP - INSTITUT DU PORC**

More information: ifip@ifip.asso.fr

Registration required (free of charge): <https://www.ifip.asso.fr/fr/matinales-IFIP>

Program as: 15 September 2021

9:30 AM - 11:00 AM / En ligne / Online

AGRI MARKET FOCUS VIETNAM

Panorama of agriculture and livestock in Vietnam

With: Damien BAZIN – Business Development Manager- Source Of Asia

Organized by: **Bretagne Commerce International**

More information: k.berlan-lherbette@bretagnecommerceinternational.com

Registration required: <https://www.bretagnecommerceinternational.com/actu/agri-market-focus-vietnam-on-line/>

09.30 AM - 10.00 AM / En ligne / Online

GEA Milking Robot and pasture

GEA DairyRobot user story

With: Maryline COURTEILLE (éleveuse) et Pierre RIVERON (Responsable marketing)

Organized by: **GEA FARM TECHNOLOGIES**

More information: pierre.riveron@gea.com

10.00 AM - 11.00 AM / En ligne / Online

DEPHY, reduce pesticides without impacting your profitability!

Presentation of the results from the Dephy Farm network for field crops and mixed crop-livestock farming in Brittany

With: David BOUILLE (Intervenant DEPHY), Mathilde LEFEVRE (Adage - ingénieur territorial DEPHY)

Organized by: **Chambres d'agriculture de Bretagne**

More information: laurence.albert@bretagne.chambagri.fr

Registration required: <https://docs.google.com/forms/d/e/1FAIpQLSdoV7gNSEHrG90TRQn->

10.00 AM - 10.30 AM / En ligne / Online

Pig'Up management software needed to reach 40 piglets/sow/year

With: Joseph COLAS, Marketing and Sales Manager Pig software and Svitlana KOTENKO Marketing and business development pig software

Organized by: **ISAGRI**

More information: jcolas@isagri.com, with copy to skotenko@isagri.fr

Registration required on: https://teams.microsoft.com/registration/Fgew_Hxml0iU16G1ju3aAg,KUnqX1kLN0-

Program as: 15 September 2021

10.00 AM - 11.00 AM / En ligne / Online

Presentation of Replace.Me, the replacement monitoring tool for farmers and innov'Space ** winner

With: Xavier L'HOSTIS (Responsable Innovation ADVENTIEL)

Organized by: **ADVENTIEL**

More information: xavier.lhostis@adventiel.fr

10:00 AM - 11:30 AM / En ligne / Online

Performance, attractiveness, loyalty: complementary collective social protection, a major advantage?

With: Jérôme VOLLE (Vice-Président FNSEA et Vice-Président de GROUPE AGRICA), Philippe LARGEAU (représentant EDT), Franck TIVIERGE (négociateur CFDT), Pierre MILLET (négociateur CFE-CGC), Pierre JARDON (négociateur CFTC)

Organized by: **AGRICA**

More information: communication@groupagric.com

10.00 AM - 11.00 AM / En ligne / Online

Photovoltaic aviary: Biosecurity, protect your outdoor livestock!

With: Florent ESNAUT (Chargé de Développement Grands Projets Photovoltaïques) et Julien SOTO (Chargé de Développement Grands Projets Photovoltaïques)

Organized by: **TECHNIQUE SOLAIRE**

More information: laura.guenin@techniquesolaire.com

Registration required: <https://techniquesolaire-1.hubspotpagebuilder.com/webinaires>

10.00 AM - 10.30 AM / En ligne / Online

14 years of experience in robotics GEA DairyRobot

GEA DairyRobot user story

With: Fabrice MARTANY (éleveur équipé du robot de traite GEA) et Pierre RIVERON (Responsable marketing)

Organized by: **GEA FARM TECHNOLOGIES**

More information: pierre.riveron@gea.com

Program as: 15 September 2021

10.00 AM - 10.05 AM / En ligne / Online

Breeding presentation: L'EARL La Gatinelais

Organized by: **Organisme de Sélection en Race Normande**

More information: louise.icard@osnormande.fr

10.00 AM - 10.05 AM / En ligne / Online

Presentation of Recticel Insulation

Organized by: **RECTICEL INSULATION**

More information: rousset.marlene@recticel.com

10.30 AM - 12.00 PM / En ligne / Online

Organic regulations, implications of changes in the specifications for organic livestock farms

With: Damien LENGRONNE (Auditeur et formateur Ecocert, adjoint au responsable de secteur) et Stéphane LEROYER (Expert réglementaire BIO)

Organized by: **Initiative Bio Bretagne et Ecocert**

More information: stephanie.thebault@bio-bretagne-ibb.fr

Registration required: stephanie.thebault@bio-bretagne-ibb.fr

10:30 AM - 12:00 AM / En ligne / Online

Methane measurement

Methane: solutions to measure and reduce easily

With: **Patricio Sheridan** (International director in Valorex), **Solveig Mendowski** (pHD, Ruminant R&D in Valorex), **Vincent Chatellier** (Technical and marketing in Valorex) et **Jean-Loïc Martin** (Technical manager in Noack)

Organized by: **VALOREX**

More information: j.houssin@valorex.com

Registration required: <https://forms.gle/B5ehGuS5PCJCxwhq6>

Program as: 15 September 2021

10.30 AM - 12.00 AM / En ligne / Online **Recruiting a future employee abroad**

Focus on the agribusiness sector

With: WTC Rennes Bretagne, Cabinet FIDAL, MALAKOFF HUMANIS, GEODESK, DSML Executive Recherche et STEERING RESOURCES

Organized by: **World Trade Center Rennes Bretagne**

More information: nbeaty@wtc-rennes-bretagne.com

Registration required : <https://www.wtc-rennes-bretagne.com/events/recruter-un-futur-collaborateur-a-letranger-focus->

11:00 AM - 12:45 AM / En ligne / Online

Advances in Ingredients and Formulation

New insights into new oil sources and functional feeds

With: Pablo Berner, Nuseed Nutritional Aquaculture Lead, Derek Petry, Director of Research & Technical Services at Diamond V, Stephane Ralite, Aquaculture Product Manager at Lallemand Animal Nutrition, and Pierrick Kersanté, R&D Aquaculture Manager at BCF Life Sciences

Organized by: **Aquafeed.com and Hatchery Feed & Management**

More information:

Free of charge, registration required: <https://uk.space.fr/programme/aqua-seminar.aspx>

Program as: 15 September 2021

11.00 AM - 12.00 PM / En ligne / Online

Effect of the intake of dehydrated alfalfa in the winter diet of organic dairy cows

With: Estelle CLOET (Chargée d'études en production laitière - Chambres d'agriculture de Bretagne) et Samuel MAIGNAN (Directeur - Déshyouest)

Organized by: **LCA Luzerne de France / Déshyouest / Chambres d'agriculture de Bretagne**

More information: bbert@lacoopagri.coop

Broadcast link: [https://teams.microsoft.com//meetup-join/19%](https://teams.microsoft.com//meetup-join/19%25)

11.00 AM - 12.00 PM / En ligne / Online

Results of protein autonomous ruminant breeding by La Vache Heureuse

With: Konrad SCHREIBER (Ingénieur Développement LVH)

Organized by: **LVH - La Vache Heureuse**

More information: a.loppion@lvh-france.com

Registration required on <http://lvh-france.com/Visio-heureuse>

11.00 AM - 11.05 AM / En ligne / Online

Breeding presentation: L'EARL de Beaulévêque

Organized by: **Organisme de Sélection en Race Normande**

More information: louise.icard@osnormande.fr

11.00 AM - 11.05 AM / En ligne / Online

Product overview: Lumix

Organized by: **RECTICEL INSULATION**

More information: rousset.marlene@recticel.com

Program as: 15 September 2021

11.15 AM - 12.15 PM / En ligne / Online

Dairy cows, do better with my plot

With: Stéphane BOULENT (Chargé d'études production laitière bio), Tom DUPERRET (Conseiller en production laitière) et Benoît POSSEME (Chargé d'étude conseil fourrages production herbivores)

Organized by: **Chambres d'Agriculture de Bretagne**

More information: stephane.boulent@bretagne.chambagri.fr

Registration required: <https://urlz.fr/gk57>

11:30 - 12:00 / En ligne / Online

Management of poultry farms and removal of unfit carcasses from slaughterhouses: potential improvements

With: Charles FACON (Vétérinaire) et Claudio CHIMIANTI (Vétérinaire)

Organized by: **RC SERVICES - GROUPE CRISTAL**

More information: contact@groupecristal.fr

Registration required: https://us02web.zoom.us/webinar/register/2516297302335/WN_hBLsMtN_SneWW0y7ANJcmw

11.00 AM - 11.30 AM / En ligne / Online

4 years of experience with the GEA DairyRobot

GEA DairyRobot user story

With: Celestin COUTERET (éleveur équipé du robot de traite GEA) et Pierre RIVERON (Responsable marketing)

Organized by: **GEA FARM TECHNOLOGIES**

More information: pierre.riveron@gea.com

11.30 AM - 12.00PM / En ligne / Online

Robot + milking parlor

GEA DairyRobot user story

With: Antoine ROUGER (éleveur équipé du robot de traite GEA) et Pierre RIVERON (Responsable marketing)

Organized by: **GEA FARM TECHNOLOGIES**

More information: pierre.riveron@gea.com

Program as: 15 September 2021

12.00 PM - 12.45 PM / En ligne / Online

Managing farmers' consent: why? How? 'Or' What ?

With: Michel PIVARD (Agriculteur & Président de FIEA – France Informatique Elevage et Agriculture & FAST – FIEA Agri Services & Technologies), Héroïse GILLES (Directrice de FAST), Bruno MEYER (Directeur Pôle Transformation Digitale Agri d'Okteo) et Anthony GUELE (Responsable Technique de FAST)

Organized by: **Agri Maker pour Agata Consent**

More information: hgilles@fiea.fr

Registration required: <https://docs.google.com>.

12.00 PM - 12.40 PM / En ligne / Online

Discovering the Bleu-Blanc-Cœur Farm: Quintard family (free range poultry and eggs)

With: Hervé JUIN (Ingénieur de Recherche à INRAE) et Alain CANET (Pour une Agriculture du Vivant - Arbre & Paysage 32) et Jacques MOUROT (Directeur de Recherche en retraite à INRAE)

Organized by: **BLEU-BLANC-COEUR**

More information: laurene.bourges@bleu-blanc-coeur.com

12.00 PM - 12.05 PM / En ligne / Online

Presentation of the OS Normande new services

Organized by: **Organisme de Sélection en Race Normande**

More information: louise.icard@osnormande.fr

12.30 PM - 02.00 PM / En ligne / Online

How do farmers innovate to adapt to or mitigate climate change?

With: Eleveur.se adhérent.e GEDA 35 - Eleveur.se adhérent.e CETA 35 - Eleveur.se adhérent.e Rés'Agri 56

Organized by: **FRGEDA Bretagne (Fédération Régionale des Groupes d'Etudes et de Développement Agricole de**

More information: frgeda.bretagne@gmail.com

Program as: 15 September 2021

01.00 PM - 01.40 PM / En ligne / Online

Discover the Bleu-Blanc-Coeur du Chiloup Farm (beef cattle)

With: Denys Durand (Ingénieur de Recherche - INRAE), Dr. Philippe Legrand (Directeur de Laboratoire de Biochimie - INSERM) et Stéphanie Villeneuve (Diététicienne)

Organized by: **BLEU-BLANC-COEUR**

More information: laurene.bourges@bleu-blanc-coeur.com

01.00 PM - 01.30 PM / En ligne / Online

Pasture with DairyRobot GEA

GEA DairyRobot user story

With: Guillaume TRANCHEVANT (éleveur équipé du robot de traite GEA) et Pierre RIVERON (Responsable marketing)

Organized by: **GEA FARM TECHNOLOGIES**

More information: pierre.riveron@gea.com

01.30 PM - 02.30 PM / En ligne/Online

Conventional and organic pork: save 1 hour per week

With: Caroline DEPOUDENT (Chargée d'étude en production porcine) et Claire WALBECQUE (Chargée d'étude en production porcine)

Organized by: **Chambres d'Agriculture de Bretagne**

More information: claire.walbecque@bretagne.chambagri.fr

Registration required: <https://docs.google.com>.

01.45 PM - 02.30 PM / En ligne / Online

How to pass a job interview in agriculture / breeding?

With: Audrey LAPRESTEY (responsable recrutement)

Organized by: **SDAEC-TERRALLIANCE**

More information: communication@sdaec-teralliance.fr

Registration required: <https://forms.gle/NeWK5bdJb1m8VoTcA>

Program as: 15 September 2021

02:00 PM - 04:00 PM / En ligne / Online
Poultry and omega 3 fatty acids

INEVO, effective omega 3 and proteins in poultry

With: Hervé JUIN (INRA), Michel LESSIRE (INRA), Mathieu GUILLEVIC (VALOREX) et Axel MINETTO (VALOREX)

Organized by: **VALOREX**

More information: v.chatellier@valorex.com

Registration required: <https://forms.gle/B5ehGuS5PCJCxwhq6>

02.00 PM - 03.30 PM / En ligne / Online
Recap of our 2021 Innovations and Technologies Day

With: Xavier L'HOSTIS (ADVENTIEL) et Daniel TROCME (Directeur de la stratégie et du Développement Adventiel)

Organized by: **ADVENTIEL**

More information: xavier.lhostis@adventiel.fr

02.00 PM - 03.00 PM / En ligne / Online
Take part in the FTDL challenge for agricultural high schools

With: Patrick COUDERC (Chef de projet CNIEL)

Organized by: **CNIEL**

More information: mdurier@cniel.com

02.00 PM - 04.40 PM / En ligne / Online
One Health: Bleu-Blanc-Cœur Symposium on the systemic link between the health of the Earth, animals and humans

With: Agnès Pannier-Runacher (Ministre déléguée chargée de l'industrie), Pr. Philip Calder (Université de Southampton), Dr Jean-Michel Lecerf (Institut Pasteur de Lille), Dr William Harris (Université de Dakota du Sud), Guillaume Gomez (chef cuisinier « représentant personnel d'Emmanuel Macron » au service de la gastronomie française), Pierre Weill (co-président de l'association
